

Confirming Your Email Address for Your Edline Account

If you are not receiving emails through Edline, please make sure you have confirmed your email address. If you are unsure of how to do this follow the instructions below.

Shortcuts

- My Content
- My Account

- Change Password
- Manage Account
- Privacy & Terms of Use

If you do not have your email address entered, click Add Email Address and enter it in the correct fields.

Email Settings

+ Add Email Address

+ Add Email Address

Email Address:

Re-enter Email Address:

You will be sent a confirmation message to your email address in the boxes above. If you do not receive the email **please check your bulk and junk email folder(s)**. If you maintain a list of allowed email addresses please add 'sender@edline.net' and 'notify@edline.net' to the list.

If you do have an email address on file, but it says **Pending**, make sure your email address is typed correctly and then click on the reconfirm button. You might need to reenter your email address.
